THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the inhabitants of the Town of Troy in the County of Cheshire qualified to vote in town affairs.

You are hereby notified to meet at the Town Hall in town on Tuesday, the 13th day of March next, at nine-thirty o'clock in the forenoon to act on the following subjects:

Article 1. To choose a town clerk, one selectman for three years, and all other town officers.

Article 2. To see what action the town will take upon the budget submitted by the budget committee.

Article 3. To see if the town will vote to raise and appropriate such sums of money as may be necessary to defray the following town charges for the ensuing year:

- a. Town officers' salaries.
- b. Town officers' expenses.
- c. Election and registration.
- d. Town hall and other buildings.
- e. Parks and playgrounds.
- f. Legal fees, scales and misc.

Article 4. To see if the town will vote to raise and appropriate a sum of money for snow removal and sanding.

Article 5. To see if the town will vote to raise and appropriate a sum of money for oiling and general maintenance of highways and bridges.

Article 6. To see if the town will vote to accept State Aid for construction and maintenance of Class 5 roads, and to raise and appropriate the sum of \$352.52 for same to which the State will contribute \$1,410.06 if appropriated.

Article 7. To see if the town will raise and appropriate a sum of money for the purchase of a new truck, and to authorize the selectmen to trade in the present truck as partial payment.

Article 8. To see if the town will vote to authorize the construction of a new bridge on High Street over the B&M railroad under the following conditions:

Cost of construction \$32,000.00.

Portion paid by B&M, fifty per cent \$16,000.00.

Balance \$16,000.00.

Portion of balance paid by State, forty per cent \$6,400.00.

Portion to be paid by town \$9,600.00. This appropriation to be spread over a three year period, \$3,200.00 each year. 1951, 52, 53.

Article 9. To see if the town will vote to raise and appropriate such sums of money as may be necessary for the support of the poor and old age assistance.

Article 10. To see if the town will vote to raise a sum of money for street lighting.

Article 11. To see if the town will vote to allow a discount on all taxes, excepting poll taxes, paid on or before dates designated at this meeting.

Article 12. To see if the town will vote to raise and appropriate a sum of money for the support of the fire department.

Article 13. To see if the town will vote to raise and appropriate a sum of money for the support of the police department.

Article 14. To see if the town will vote to raise and appropriate a sum of money for the support of the water system.

Article 15. To see if the town will vote to raise and appropriate the sum of \$4,000.00 to pay water bonds at maturity, and \$2,115.00 interest.

Article 16. To see if the town will vote to raise and appropriate a sum of money for the employment of a district nurse.

Article 17. To see if the town will vote to raise and appropriate the sum of \$863.00 toward the support of the Elliot Community Hospital.

Article 18. To see if the town will vote to raise and appropriate a sum of money for the care of the town dump.

Article 19. To see if the town will vote to raise and appropriate a sum of money for the care of shade trees.

Article 20. To see if the town will vote to raise and appropriate a sum of money for the observance of Memorial Day.

Article 21. To see if the town will vote to raise and appropriate a sum of money for the continuation of the War Memorial Program.

Article 22. To see if the town will vote to allow the American Legion the use of the Town Hall one night each month without charge.

Article 23. To see if the town will vote to raise and appropriate the sum of \$450.00 for the support of the public library.

Article 24. To see if the town will vote to raise and appropriate a sum of money for the care and improvement of cemeteries.

Article 25. To see if the town will vote to raise and appropriate the sum of \$161.00 to the Monadnock Region of Southern New Hampshire.

Article 26. To see if the town will vote to raise and appropriate a sum of money for the repair of sidewalks on School Street.

Article 27. To see if the town will vote to instruct the selectmen to borrow money to pay town charges.

Article 28. To see if the town will vote to authorize the selectmen to appoint the position of town hall agent after the current year.

Article 29. To hear the reports of agents, officers, or committees heretofore chosen, and take any action relating thereto.

Given under our hands and seal this 16th day of February in the year of our Lord 1951.

L. E. RAY HALE,
CALVIN W. CUMINGS,
FRANKLIN L. LANG,
Selectmen.

A true copy of Warrant—Attest:

L. E. RAY HALE,
CALVIN W. CUMINGS,
FRANKLIN L. LANG,
Selectmen.

ROBERT H. CONGDON,
Clerk.

REPORT OF THE FIRE WARDS

It is gratifying to notice a further reduction in the number of fires, a trend which has continued now for several years. We had only fourteen runs, two of which were false alarms, as compared with twenty-one a year ago.

We want to call attention particularly to the two false alarms on October 31. This is a very serious situation and we appeal to the parents in town to cooperate to prevent the recurrence of this sort of thing. If the public is interested in good fire protection people must cooperate in every way possible to prevent the issuance of false alarms. We know the school department and the town officers are doing what they can in this direction but it goes back to the parents who are really the ones who can prevent this sort of thing.

We are concerned with the high number of man hours, particularly when reduced to the number of runs. A year ago we used 333 man hours for twenty-one runs, or an average of 16 man hours per run, while this last year we used 337 man hours for fourteen runs, or an average of 24 man hours per run. Some of this increase can be attributed to the large amount of work which the department has been called upon to do at the public dump.

There has been organized an auxiliary fire department of ten men, each of whom has been provided with the necessary uniform consisting of boots, hat and coat. The cost of this equipment, which was paid for in the new year, was \$250 which, coupled with the need for additional hose purchases, will undoubtedly necessitate a larger appropriation during the coming year.

We wish to extend to all members of the company our appreciation for their loyalty and good service, and particularly to the employees of the Telephone Company whose cooperation in operating the fire alarm system adds so much to the efficiency of our department.

Respectfully submitted,
LESLIE G. BROWN
WILLIAM J. PRARIO
GEORGE K. RIPLEY

SAMUEL E. PAUL,
Chairman.

During the year 1950, we experienced a cool summer which curtailed water sports, not only in Troy, but throughout the entire eastern seaboard. However, there were three recipients of the Senior Red Cross Life Saving Awards.

The major part of the time was devoted to land games such as softball, touch football, volley ball, basketball, and other games for the younger groups.

The sides of the bathhouse and toilet were covered with a roofing paper and a parking area was laid out.

A steel maypole and swings were added to the present facilities.

Plans were made to remove the old icehouse and to level off a large portion of land so that more playing surface would be available for other sports. This work was done during the Fall.

We look to next year for even greater accomplishments than in either of the two previous summers.

An appraisal of the summer program may be had by quoting an excerpt from a letter written by a prominent summer resident and sent to Dr. S. E. Paul, chairman of the Memorial Recreation Program Committee: "Please use the check on the work you are doing at the Sand Dam. That is just about the finest project I ever saw a small town undertake and it is to the credit of everyone connected with it—of whom, I am told, you are the leader".

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Troy qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 10th day of March 1951, at 2 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization funds, together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see whether the district will vote to raise and appropriate, in addition to the original appropriation for 1950-51, the sum of two thousand dollars (\$2,000) to be made available to the school district prior to June 30, 1951 in order to meet unanticipated obligations caused by an increase in state teachers retirement payments, increased insurance on the school building and a cost of living adjustment in teachers salaries.

10. To see whether the district will vote to continue the cooperative school program, to re-appoint the present committee and to raise and appropriate the sum of five hundred dollars (\$500) for necessary expenses in connection therewith.

11. To see what sum of money, not to exceed 8% of the assessed valuation of the district, the district will vote to raise and appropriate for the purpose of constructing and equipping an addition to the present elementary high school building, said building to include three classrooms, a kitchen, a gymnasium-auditorium and other facilities, and for necessary alterations to the present school building; and for this purpose to authorize the school board to issue and sell notes or bonds in the name of and on the credit of the district, under and in accordance with the provisions of The Municipal Bonds Statute, as amended, and of chapter 55 of the 1949 session laws of New Hampshire; and to see if the district will vote to delegate to the school board authority to fix the time and place of payment of the principal and interest of said bonds or notes, the interest thereon, and the principal amount of each bond or note, and to sell the bonds or notes, and to take such action with respect thereto as may be necessary and advisable.

12. To see what action the district will take in selecting a building committee to work with and advise the school board relative to the construction of an addition to the present school building.

13. To see what action the district will take to raise and appropriate the sum of five thousand five hundred (\$5,500) to purchase equipment for the new addition.

14. To transact any other business which may legally come before this meeting.

Given under our hands at said Troy this 5th day of February 1951.

HARRIET BROWN,
School Nurse.

REPORT OF THE HEADMASTER OF THE TROY HIGH SCHOOL

To the Superintendent of Schools:

I herewith submit my fifth report as headmaster of the Troy High School.

As I stated in my past reports, the Troy school building is being taxed beyond its capacity and that double sessions would have to be used to care for the larger enrollments to come unless more classroom space was available.

The time has arrived when we must do what we can with the present facilities. Our pupil enrollment for the next school year will exceed the total number of desks and chairs. Therefore we must of necessity institute the double sessions as a temporary measure. In order that the student body be divided into two equal groups, grades seven and eight will constitute one session and grades nine through twelve will make up the other.

The question as to which group will attend the morning session has not yet been determined. It seems feasible at this writing that the morning session will begin at 8:00 A. M. and close at 1:00 P. M. and the afternoon session will begin at 12:15 P. M. and continue until 5:15 P. M. It is possible to overlap one class period since one of the elementary grade classrooms is available during the lunch hour. This is desirable since all the pupils in grades seven through twelve will be in school at the same time and it means that the afternoon session will terminate at 5:15 P. M. instead of one hour later as would be the case if the afternoon session started at 1:15 P. M. instead of 12:15 P. M.

We can go on for a time with the double sessions for the junior and senior high school. However, according to the school census, in September 1953, there will be fifty pupils entering grade one which is too large a group for one teacher. Therefore it seems advisable that plans be made to care for two classes in

grade one at that time. At present, we cannot do the job adequately.

It, therefore, becomes the duty of every citizen to interest himself in the school problems and to do his part in providing better education for the youth of Troy.

GRADUATES

Class of 1950

Pauline Descoteaux, Troy Blanket Mills, (office).

Jane Mary Lepisto, Elliot Community Hospital, Keene, N. H., (school of Nursing).

JANET C. JOSLIN,

Student Activity Treasurer

PETER J. SPERANDIO,

Headmaster,

ATHLETICS

The athletic program at our high school now consists of basketball for the boys and girls during the winter season, and softball for the girls and baseball for the boys in the spring.

Since the recent inauguration of the spring activities, interest in all sports has increased. We have greater pupil participation in athletics now than ever before. For the first time to my knowledge, the athletic squads have had to be cut due to the large numbers who wish to participate and the lack of facilities. This action was definitely undesirable. All pupils need to develop physically as well as mentally. It seems too bad that we

had to deprive some pupils of the opportunities of sports activities because of lack of proper facilities. All pupils, regardless of their athletic abilities, should take part in some type of body development. However, these activities have been curtailed in Troy.

Within the next five years, our high school enrollment will more than double itself and if the present athletic facilities are not improved, we shall still be able to give athletic training to the same limited number of today and the large majority will be denied the right of participation in sports which helps so much in the development of character and sportsmanship in our youth. No effort is too little—no cost is too great—for the proper development of our boys and girls.

Respectfully submitted,

PETER J. SPERANDIO,

Headmaster.

January 26, 1951

Troy, N. H.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Members of the School Board and Citizens of Troy :

During the school year 1949-50, definite steps were taken to correct some of the handicaps of the educational plant, to more adequately meet the educational needs of the pupils and to seek for the solution to some of the problems we face in the future.

The curriculum was broadened so that additional shop work was made available to the high school boys; home economics was added for the benefit of the girls and art work was made available for all pupils. Increased use of audio-visual materials was emphasized through the purchase of a loud speaker system, additional film strip and the purchase by a student group, of a tape recorder.

The school plant received a major overhaul during the year. The shop boys, under the able supervision of Mr. Pierce, constructed a fine kitchen area for the lunch program, with storage space and a serving counter. Mr. West painted the kitchen, lunchroom and basement areas. The unsightly furnace pipe was replaced and the floors in three classrooms, the lower corridor and the office were repaired and covered with attractive rubber tile. Old desks and chairs were replaced with modern steel equipment of the latest type. The badly washed out playground area was re-graded and new playground equipment installed. All in all, the school plant was greatly improved for better learning, for convenience and for comfort.

A great deal of time has been devoted to the study of the most pressing problem of the future; that of increased enrollment. This problem is being met next school year on a temporary basis, by operating the school on a double session schedule, from 8 A. M. until 5 P. M. The permanent solution is being studied through a program calling for an addition to the present school plant or through a cooperative high school built and operated by several towns of the area. The final answer to this problem rests with the citizens of the community however.

Through the cooperation and combined efforts of a capable school staff and principal, sincere and hard-working board members, plus a little effort of my own; the school year has been a successful one.

CHARLES L. BOWLBY,
Supt. of Schools.

REPORT OF THE MUSIC SUPERVISOR

I herein submit my report concerning the elementary music program in the schools.

The chief aim of the music program is to develop love and appreciation of good music and the desire to participate in group work, both vocal and instrumental. A comprehensive course is offered, starting with the first grade and carrying through the 8th grade which deals with all fundamentals as well as with expression in ensemble work, tone production and rhythmic forms.

There is no lack of enthusiasm on the part of the pupil groups and this enthusiasm should carry through to community activities in the later life of the pupil.

Respectfully submitted,
AZALEA G. WILSON,
Elementary Music Supervisor.

REPORT OF THE BUILDING COMMITTEE

At the last annual Troy school district meeting, held March 11, 1950, a building committee of three was elected, and was instructed, with the school board, to (a) study the possibility of forming a cooperative school system in which Troy would participate, and, (b) determine, as an alternative to (a), a building program that would meet the needs of the Troy school system.

The activities of this committee with respect to the cooperative school situation is covered in a separate report.

Before setting forth the details of the alternative plan,—adding to our existing plant,—we offer a brief summary of the present and estimated future enrollment situation. This summary shows the need for additional school facilities due to the growth in the Troy school population.

Year	'46	'47	'48	'49	'50	'51	'52	'53	'54	'55	'56	'57	'58	'59	'60	'61

Total	216	228	251	263	291	311	345	345	353	351	351	350	349	349	349	349
Year																
	'62	'63	64	'65	'66	'67	'68									
Elem.	236	239	239	239	239	239	239									
High	105	95	84	89	91	94	94									
Total	341	334	323	328	330	333	333									

Above figures based on estimated entering first grade of 30 pupils after 1955; 63% of Grade 1 finishing Grade 12, increasing to 67% after 1956.

The alternative plan, consisting of an addition to the existing Troy elementary-high school building proposes to include three classrooms, a kitchen, a gymnasium-auditorium-cafeteria,

a stage, storage rooms, toilet facilities, locker rooms, showers, and a boiler room. Details are shown in the floor plan and elevation, reproduced below, which have been prepared by Norman P. Randlett, Laconia, N. H., who has been engaged by the committee to carry out these preliminary plans.

DESCRIPTION OF A PROPOSED ADDITION TO THE TROY SCHOOL

The addition will be constructed with masonry exterior walls. Interior walls will be masonry except in classrooms in which interior walls will be of frame construction to permit easy changes in sizes of rooms.

Except for the stage, floors of all rooms will be concrete laid on the ground and covered with asphalt tile, including the gymnasium. The floors of locker rooms will be concrete with no covering, but in the shower and drying rooms the floor covering will be ceramic tile. The stage floor will be finished in wood.

Ceilings in general will be covered with insulating board using both sheets and tiles. In the locker room section under the stage the ceilings will be bare concrete.

Class room windows will include a vision strip of steel sash with glass blocks above. Gymnasium windows will be steel. Front walls of classrooms are placed to receive as much light as possible from the windows.

The gymnasium will be framed with two-hinged steel arches, which give maximum economy together with necessary height for basketball. Bleachers will be permanent. As a kitchen is adjacent to the gymnasium, the latter will be used for a school lunch room besides its other activities. The gymnasium has a basketball court 50' x 75'. About 400 spectators can be seated in the bleachers. When used as an auditorium, 700 chairs can be placed on the floor. For banquet purposes 450 people can be seated at tables at one time.

The cost of construction of this structure, the preparation of plans, supervision of construction and preparation of the site would cost \$132,000.00.

	\$136,000		\$164,560

Under existing legislation school districts are limited to issuing bonds not to exceed 5% of assessed valuation. This limit can be increased to 8% on special approval of Governor and Council. Eight percent of the assessed valuation of Troy is \$136,000.

Regardless of building changes, after next year, the increased number of pupils will require about 2½% more teachers, costing about \$6,250 per year.

To summarize.

The budget for 1951-52 will be approximately	\$55,000 00
The budget for 1952-53 will be approximately	\$61,000 00

The budget for 1952-53 if an addition is
constructed will be:

Interest and principal on debt \$9,500 00

Extra heat, light in larger

plant 2,000 00

Physical education instructor 2,500 00

Total extra cost of new

school plant

\$14,000 00

1952-53 budget

\$75,000 00

VITAL STATISTICS

At the request of the Selectmen, there is submitted herewith a transcript of the births, marriages and deaths as recorded in the Office of the Town Clerk for the year ending December 31, 1950.
